Learntoearn

Our Master Trader Programme is designed to provide aspiring and operating traders alike the ability to master the skills needed to become a successful, profitable FX trader

Course creator and tutor for our 5-week Master Trader Programme is Ethem Arabaci. Ethem joined a capital markets firm shortly after completing his MSc in International Securities, Investments and Banking. Ethem's role was predominantly analyzing and reporting daily on the US and Asian Markets.

Having completed the programme, all students will receive the following

Floor 5, Tower 42,
25 Old Broad Street,
London,
EC2N 1HN

+44 (0) 207 096 0253
