

THE 2 DAY FOREX BOOTCAMP

ABOUT THE PROGRAMME

This LIVE 2-DAY FOREX MASTERCLASS is designed to help you become a successful and profitable forex trader. We believe the best way to become successful is to trade live and learn directly from forex experts. We design our events so that there will be live trades placed by the experts and also the participants. The best way to learn is to have the access to ask the key questions while you are trading LIVE!
